

Thank you for your interest in this project

Participant Identification Number:

CONSENT FORM (version 1, 28/1/2022)

Title of Project: **Can the extent of comfortable wrist rotation be altered with immersive virtual reality?**

Name of Researcher: Joao Henrique Rosa Mineiro

Please
initial
box

1. I confirm that I have read the information sheet dated 28/01/2022 (version 1.0) for the above project. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily. ☐
2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason and without my legal rights being affected. ☐
3. I understand that relevant sections of the data collected during the study, may be looked at by members of the research team and individuals from the University of Exeter, where it is relevant to my taking part in this research. I give permission for these individuals to have access to my records. ☐
4. I understand that taking part involves using an immersive virtual reality headset during the entire experiment. ☐
5. I understand that taking part involves turning a virtual dial for a number of times while holding a controller in my right hand with the aim to record wrist orientation and task duration. ☐
6. I understand that taking part involves rating a number of statements regarding my sense of embodiment of the virtual hand used in the experiment. ☐
7. I understand that my anonymised data will be used for the purposes of:
Producing a scientific report as a piece of assessed work for a PhD degree; ☐

Producing a report of the results published in academic publications;

☐

Informing future research projects in the topic;

☐

Producing materials such as posters or keynote presentations for presenting at conferences.

☐

Being uploaded into a public repository.

☐

8. I agree to take part in the above project.

☐
